Swiss Re
Corporate Solutions

United States Property
Lead Insurance

The US Property Team at Swiss Re Corporate Solutions leads property insurance programs for mid-sized and large US-headquartered companies, serving both domestic and multinational clients.

We offer tailored solutions for complex international risks through:

- Global fronting capabilities
- Industry leading natural catastrophe exposure analysis tools
- ONE Form: a comprehensive and easy to understand all-risk Property policy form
- Transparency to all of the above through an easy-to-use online portal
- Efficient, compliant international coverage around the world
- Global risk engineering information to support risk improvement

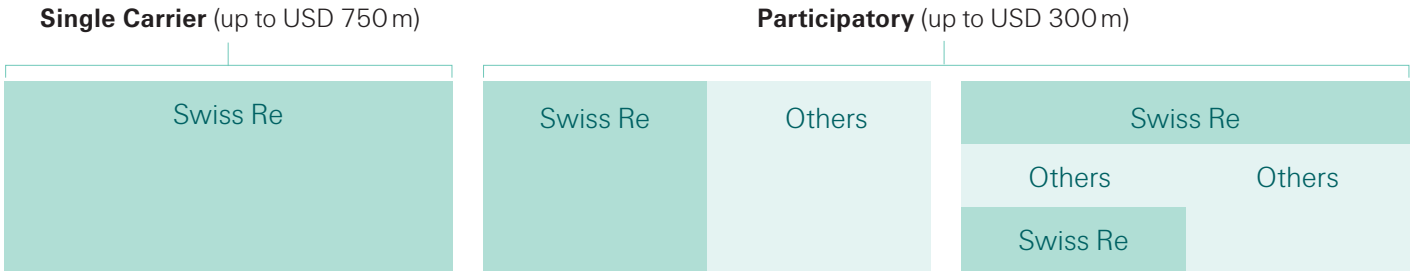
Warehousing	✓	

Swiss Re Corporate Solutions can offer primary property coverage across a broad array of industries and can structure our primary capacity in various ways.



Capacity

- Significant capacity available as a single carrier (USD 750 m) or as part of a shared and layered program (USD 300 m)
- Rated by Standard & Poor's (AA); Moody's (Aa3); A.M. Best (A+)

International Programs

- Leading insurer with global fronting expertise; admitted policies issued through a global network of insurers in 150+ countries
- Dedicated international program managers and teams across finance, risk engineering and claims
- Comprehensive policy framework optimizing master policy coverage and local regulation considerations

ONE Form

- An all-risk coverage contract that is simple to follow
- Ability to mirror US master policy in 20 + countries for seamless coverage
- Ability to use other company forms and manuscripts

Risk Engineering Services

- Dedicated risk engineer who will provide a customized service plan
- Customized risk reports are shared with our customers and brokers that include valuable exposure evaluation and risk improvement opportunities
- Additional services offered, such as impairment handling, jurisdictional inspections and project plan reviews

Natural Catastrophe Exposure Management

- Significant critical natural catastrophe limits (flood, wind, earthquake)

Claims Servicing

- Primary and excess property claims experts around the world
- Proven claims commitment
- In the event of an insured first party property loss, we will promptly advance up to 50% of our estimate

Online Risk Management

- Web-based, 24/7 access to your policy/program, risk engineering, natural catastrophe exposure and claims information/submission via our PULSE portal
- Accessible from your PC or mobile device
