

# Canada Property Insurance

The Canadian Property and Energy Team of Swiss Re Corporate Solutions provides all-risk property insurance for mid-sized and large domestic or multi-national customers headquartered in Canada.

## We offer

Financially secure property insurance capacity

Industry leading natural catastrophe exposure analysis tools

A comprehensive and easy to understand all-risk property policy form

Award winning claims service

Efficient, compliant international coverage around the world

Transparency to all of the above through an easy-to-use, web enabled client portal

Global risk engineering information to support your risk management needs

## Financial strength

- Written through financially secure legal entities, rated by Standard & Poor's (AA-); Moody's (Aa3); A.M. Best (A+)

## Policy form

- ONE Form**; a comprehensive and easy to understand broad policy form which is admitted in the US
- Flexibility to use other company forms and broker manuscript wordings

## International capability

- Efficient, compliant international coverage currently available in more than 150 countries
- Global risk engineering information to support your risk management needs
- ONE Form**; a comprehensive policy framework that optimizes master policy coverage and compliance with local regulation
- Dedicated international program managers for network partners, financial management and claims

- Access to PULSE – our online platform that allows the customer and broker to monitor and manage their insurance program from one secure place

## Risk engineering services

- Dedicated Risk Engineers who will provide a customized service plan
- Customized risk reports are shared with our customers and brokers
- Additional services offered such as impairment handling, jurisdictional inspections and project plan reviews

## Natural catastrophe exposure management

- Access to CatNet® – Swiss Re's natural hazard and exposure mapping tool
- Significant critical natural catastrophe limits (flood, wind, earthquake, etc.)
- Innovative Risk Solutions including parametric products

## Claims servicing

- Global property claims experts located around the world
- Proven and documented Claims Commitment, which has received #1 ranking from 2 of the 3 global brokers
