

Excess & Surplus Property

Swiss Re Corporate Solutions Excess & Surplus provides creative coverage solutions and critical capacity that meet the needs of your hard to place risks.

Strong financial backing

- Underwritten by the financial strength and S & P 'AA-' rating of Swiss Re, we have the capacity and liquidity to fulfill your Excess & Surplus needs.

Our single source, all-risk property solution for US-domiciled risks is available to companies across a wide range of industries. We offer our capacity in primary or shared and layered structures on a non-admitted basis.

Claims service excellence

- We are committed to building a foundation of trust based on open, transparent communication – even before a claim occurs.

Our single carrier product provides large capacity plus loss prevention evaluations, jurisdictional inspections, plan reviews and impairment services.

Risk-quality requirements

Single carrier companies must meet the requirements of a well-protected risks including, but not limited to, the following characteristics:

- Majority of account is non-combustible construction
- Adequate automatic sprinkler protection
- Loss prevention and risk management processes in place

We offer up to \$750M of limits on an admitted basis.

Swiss Re Corporate Solutions provides risk transfer solutions to large and mid-sized corporations around the world. Its innovative, highly customised products and standard insurance covers help to make businesses more resilient, while its industry-leading claims service provides additional peace of mind. Swiss Re Corporate Solutions serves clients from over 50 offices worldwide and is backed by the financial strength of the Swiss Re Group.
