

Liability insurance solutions for the Technology / Media / Communications industries

The Cyber & Tech team of Swiss Re Corporate Solutions offers errors and omissions liability coverages for companies in the technology, media and communications industries.

Our dedicated team of specialists possesses extensive experience and understanding of the changing nature of these businesses, as well as the ability to expertly assess the actual or potential risks involved. Our capabilities consist of a primary or excess solution that will meet the demands of the ever-evolving landscape of exposures facing your clients every day. Whether it is errors and omissions exposures that have traditionally existed or new ones that emerge from the ever-changing cyberspace, we will provide our technical underwriting excellence and industry experience to meet our clients' demands.

Our offering

- Primary and excess errors and omissions liability insurance
- Coverage can include the following grants:
 - Network security and privacy liability
 - Data breach expense cover
 - Cyber extortion
 - Network business interruption
 - Regulatory defense
 - Media liability
- Combined excess professional and general liability insurance
- Capacity up to USD 15m

Our value proposition

- Innovation – we have a proven track record of developing innovative and customised solutions for our clients' unique and challenging technology risks.
- Financial strength – we provide stability and security through our exceptional financial strength ratings, which include "AA–" by Standard & Poor's, "Aa3" by Moody's and "A+" by A.M. Best.
- Experience – we are a full-service commercial insurance provider, leveraging 150 years of experience and vast resources of the Swiss Re Group.
- Global reach – we operate from offices in key insurance markets worldwide; providing clients with access to our global network and products via local teams.

Unique solutions

- Worldwide insurance solutions
- Full limit/drop down sub-limit capabilities on an excess basis

Our team

Our dedicated team of multi-disciplined underwriters and claims professionals has extensive knowledge of the technology, media and communications industries. We are committed to working closely with our clients to develop tailored insurance coverage and we are focused on building long-term relationships that bring value beyond an insurance policy.
