

PULSE

Online risk management at your fingertips

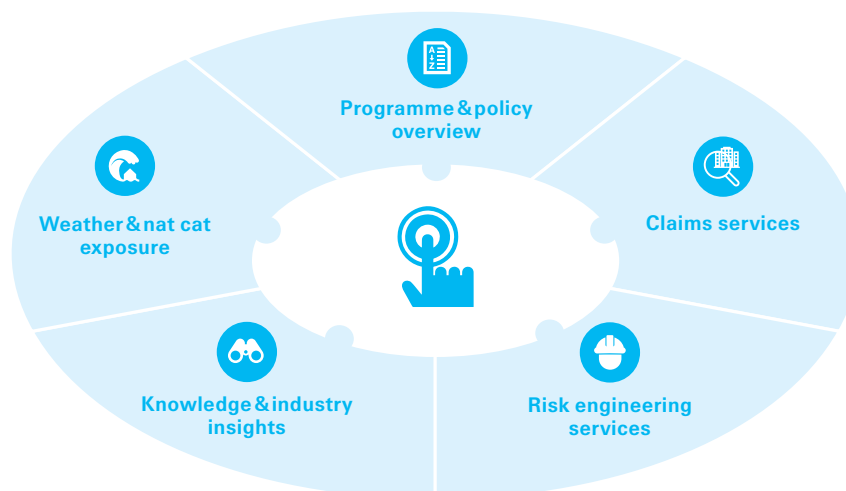

PULSE is an online platform that allows you, and your broker, to monitor and manage your insurance programme from one secure place.

It puts you in control and gives you easy access to real-time policy, claim and risk improvement information. You can review your policy, submit loss notifications, monitor claims, or track progress of a risk improvement. And with ongoing enhancements, you can keep your finger on the **PULSE** of your programme whenever you need to.

PULSE is available to Swiss Re Corporate Solutions' clients and their brokers. If you're interested to learn more, please contact your local representative or email corporatesolutions_pulse@swissre.com to request a demo.
