Real time overview of your facility contracts and bonds

Submit and approve bond requests easily

Multi-level bond approval authority tailored to your needs (four-eyes principle)

Create a full or partial liability release statement instantly

What makes our surety client portal unique?

- Create an initial draft of a bond and send to a beneficiary for review before issuance
- Generate partial release letters whenever you need to
- Receive an email notification when a bond request is submitted for approval
- Have you forgotten to enter a contract number or another detail? That's no problem. Save your bond request and return later to complete it
- Additional standard clauses are available in the portal for you to choose from
- Set-up access for colleagues online quickly and easily
- Portal and all documents are available in German and English
